

## **Muzinich & Co hires Archie Beeching as Director of Responsible Investing**

London/New York 5 March 2019: Muzinich & Co has announced that Archie Beeching has joined as Director of Responsible Investing with immediate effect.

In this newly-created role, Archie will focus on strengthening the ongoing integration of the firm's environmental, social and governance (ESG) policies into the investment process, liaising with investors and companies and broadening the firm's ESG-based initiatives across public and private debt markets.

Archie joins from the UN-supported Principles for Responsible Investment where he spent 7 years, initially leading on fixed income and latterly as Head of Private Markets. His responsibilities included clarifying financial implications of sustainability risks and opportunities and promoting best practice.

"I am excited to be joining Muzinich to focus on such a key area of the business," said Archie Beeching. "Sustainability and responsible investing have become important considerations for investors on a global basis, and I am looking forward to working with Muzinich's investment teams and clients on further developing the firm's ESG strategies."

"Archie's expertise and tenure in the market significantly enhances our ESG capabilities," said Tatjana Greil-Castro, Portfolio Manager. "Muzinich was an early adopter in incorporating ESG criteria into client portfolios. Archie's appointment marks a further significant step in our commitment to providing ESG-based solutions for our clients, as well as engaging with corporate issuers and other stakeholders on ESG considerations."
